The drawings were received on 10 April 2006. These drawings are acceptable.

JP 48-87668 cited in the information disclosure statement filed 2 March 2006 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered.

WO 97/43501 has a line drawn through it since it is a duplicate citation. It was cited in the information disclosure statement of 26 August 2002 and was considered.

WO 93/5103; US 5,194,199 and US 5,160,465 have lines drawn through them since they are duplicate citations. They were cited by the Examiner in the action dated 4 May 2001.

The remaining references having lines drawn through them were cited in the information disclosure statement of 17 May 2004 and were considered. Thus they are duplicate citations.

Applicants supplied a copy of JP 58-87668, but did not list it on the form PTO-1449 equivalent, it has been cited on form PTO-892.

DE 19,648,164 and JP 2-276836 have been considered with respect to the supplied abstracts.

The following is an examiner's statement of reasons for allowance: There is no teaching or suggestion in the cited art of record of performing the claimed process with a core having the claimed structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
